Re: Public Records Request

Dear Zog Begolli:

I write to provide you with a detailed cost estimate in response to your Public Records Act request dated April 23, 2019, and which our office received on April 24, 2019.

There are five complaints responsive to your request of all complaints regarding The Vermont Teddy Bear Company d/b/a PajamaGram received by May 1, 2018. Four of the complaints are of average length and will take an estimated 15 minutes; there is one complaint with many documents that will take at least 45 minutes. Therefore, at 4 records for 15 minutes each and one record at 45 minutes (minus 30 minutes of no charge), billed at the lowest possible rate under the Secretary of State's fee schedule (\$.33 a minute), your estimated cost for these records is \$24.75.

Because you have already confirmed your willingness to pay reasonable costs under \$100, we will now proceed with processing this complaint. Please let us know if you have any questions or concerns.

Sincerely,  
Sarah Anders
